Outrageous, corny, completely hilarious, Animal Crack-Ups is a hoot-a-day. On every page is a full-color photograph of a truly wild (wild with laughter, that is) animal paired with the silly animal joke that's clearly keeping it in stitches. Why is that fish grinning? What do you call a fish with no eyes? Fsh. And something sure tickled that bunny's funny bone: Why did Margie the Magician refuse to give her rabbit a bath? Because when she washes her hare, she can't do a thing with it. Whatever your age, these jokes will make you groan and then put a smile on your face.
