

# Taking the Heat: An Expat Under Pressure in Spain

High in the Spanish mountains, life at Casa Desolada is nothing if not fraught. Embattled and bemused, Nick Snelling, ex-soldier, antiques dealer, builder, legal executive, consultant, author, estate agent and equity trader has finally become an expatriot. A doomed romantic, Nick lurches from the shortest TV career in media history to a disastrous attempt at becoming a wine merchant of fine Riojas. Along the way, he battles sex obsessed English language students, lethal barbecues, the temptation of topless beach beauties, the mysteries of Iberian building and the ultimate peril of a wife ruinously seduced by Spanish shopping. Meanwhile, Nicks attempts to impose Spanish patriarchal machismo upon his family repeatedly back-fire Nick Snelling is a writer and professional journalist who lives with his wife and two children in the Valencian mountains of Spain. Learn more at [www.nicholassnelling.com](http://www.nicholassnelling.com) Margaret Denmark is a professional artist who lives in Spain with her partner who is also a painter.
