

The Eleventh Hour: A Curious Mystery

When Horace the elephant turns eleven, he celebrates in style by inviting his exotic friends to a splendid costume party. But a mystery is afoot, for in the midst of the games, music, and revelry, someone has eaten the birthday feast. The rhyming text and lavish, detailed illustrations each provide clues, and it's up to the reader to piece them together and decide whodunit! The fun of poring over the pictures is matched by the enjoyment derived from the text: witty, ingenious verses. -- Publishers Weekly
