

## My Life as An Amish Wife: A Diary (Plain Living)

After three hours of chores, breakfast, phone calls, and getting mail ready, it was 9:30 by the time I got to sewing. I sewed three blouses before noontime. As an Amish wife and mother of six, Lena Yoder has plenty of ways to fill her time. I helped with the afternoon milking, baked two different kinds of cakes, made two pizzas, and got everybody ready to take supper to school for the teachers. But amid the endless tasks to complete and challenges to overcome, Lena's simple joy and deep faith are ever present in these brief, first-person accounts. I am thoroughly enjoying these days at home... Our family is filled with love... I could never list everything I am thankful for. These unassuming glimpses of Amish life will touch your heart and inspire you to seek the simple things: a loving family, a good day's work, and a grateful heart.
