

Doms Guide To Submissive Training: Step-by-step Blueprint On How To Train Your New Sub. A Must Read For Any Dom/Master In A BDSM Relationship (Mens Guide to BDSM) (Volume 1)

A Dom/sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to fit one another and create a lasting, happy union there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. Doms Guide to Submissive Training was specifically written for doms/masters. It is designed to provide you with a step-by-step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques & tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well-trained sub will not only serve you in the capacity you deserve, but will have built up the two most important elements in any BDSM relationship trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master, who is in control, experienced and able to guide you both to the best possible life.
