

Fall in Love with Gdansk 2017: Gdansk - A Stunning Architecture, an Unbelievable Diversity of Impressive Buildings from Different Style Epochs (Calvendo Places)

Gdansk is a gem of bourgeois architecture and beautiful citizen homes and has a unique marketplace. A world of pleasant alleys and historical churches. St. Marys church dominates Gdansk's silhouette by being the world's biggest gothic brick church. Another attraction for tourists is the long market (Długi Targ), where many tourist highlights can be found. For e.g. the fountain of Neptune, the Artus Court, the Green Gate or the urban city hall with its 82-meter high tower. From the long market over to the long street (Ulica Długa), a magnificent avenue, which ends at the Golden Gate. All together you call it the royal street. Experience Gdansk's beautiful city, former Hanseatic City, with impressive photographs in HDR quality. Photographed and compiled to a high-quality Photo Calendar by Paul Michalzik.
