

Forex Cheat Sheet! How to Tap Into a Global Torrent of Cash without Risking the Family Farm

Forex Cheat Sheet is a powerful new book by Marc Charles, a trading veteran. This book is a step-by-step guide for making money in the Forex market. This is the best primer for the Forex market I have ever read. Granted, it is short and sweet. I would have liked to see more detail, and in-depth trading analysis. But I still liked it and I highly recommend it for anyone thinking about the Forex market
