

Howl at the Loon (An Alpine Grove Romantic Comedy Book 6)

For Robin Sanders, her new job and the employee discount at the Eagle River catalog is great for her closet, but bad for her wallet. Mostly, she deals with purchase orders and merchandise lists, so she can't figure out why the CEO selects her to set up a corporate retreat at his family lodge in the small town of Alpine Grove. When she arrives, Robin discovers that the North Fork Lodge is falling apart, the owner is missing, and the team building guy has a Batman fixation. Mediating employee disputes and dispelling local rumors about a cranky resident ghost put Robin's diplomatic skills to the test. Alec Montgomery, yanked from the executive suite and tasked with doing training, isn't any happier than Robin about being in Alpine Grove. Yet together they uncover mysteries about the lodge and themselves that they never anticipated.
