

The Magic School Bus Inside a Beehive

To celebrate its 20th anniversary, Scholastic is re-releasing the ten original Magic School Bus titles in paperback. With updated scientific information, the bestselling science series ever is back! When the Magic School Bus turns into a beehive, Ms. Frizzles class learns firsthand about how workers, drones, and the queen bees live together. Readers will be abuzz with knowledge as they discover how honeybees find food; make a comb, honey, and beeswax; and care for their young, all from the bees perspective.
