

Club Prive Book 2 (Volume 2)

I fell hard for his lies, and now he wants my forgiveness. I can't give it to him, can I?

After discovering that the man she'd slept with wasn't who he claimed to be, Carrie Summers must decide if she's willing to forgive him for his lies. Sure, the sex had been mind-blowing, but was that really a good reason to look past the deceit? And how can she be sure he doesn't have more hidden beneath the surface? Gavin Manning could be an angel or devil, with a body and face forged in heaven and a lust from hell. It's a dangerous combination and Carrie knows she shouldn't trust him with her heart. That doesn't mean she can stop craving his touch. Book two in M.S. Parker's steamy erotic romance series will turn the heat to the max and leave you panting for more.
