

# Paul A. Samuelson: On Being an Economist (Working Biographies)

This book captures much of the spirit of Paul A. Samuelson. Those who know Samuelson, one of the great economists of the twentieth century, only through his writings may have already sensed his wit, his intellect, his brilliance. This book brings these into focus, through details of his personal history and a wealth of anecdotes from colleagues and students. -Joseph A. Stiglitz (Foreword)
