

Replenish the Earth (The Generations Book 3)

God always has a good plan for the righteous. Sin fills the world with violence, but faith carries Noah and his family above the flood through the storm. In the harshness of Mount Ararat where they disembark, nothing compares to the lushness of Adams Valley their home left behind. And troubles surviving the thirteen months on the Ark cant match the struggles they face to forge new lives in a hard land where the mist no longer rises up every evening where instead of a protective covering cloud of water above, the brutal sun beats down and unpredictable storms batter the inhabitants. Still, the Lord has given the sons of Noah a mandate.
