

Wayne Thiebaud 2016 Calendar

Instantly recognizable for their sensuous texture and warm, luminous palette, Wayne Thiebaud's images of cakes, pies, and other everyday objects made him famous, but Thiebaud (American, b. 1920) has also applied his formidable talents to a range of other subjects. His aerial landscapes are highly realistic yet approach pure abstraction. His cityscapes, which often feature dizzyingly exaggerated hills and multiple or distorted perspectives, affect the viewer like a roller-coaster ride while forming the elegant, startling compositions that make Thiebaud's work unique as shown in Wayne Thiebaud 2016 Mini Wall Calendar. Artwork by Wayne Thiebaud. Perfect for art lovers. Informative text accompany each artwork. Observes major holidays and moon phases.
