

Strange New Worlds / UK-Version 2017: Science Fiction in Fractal Art Works (Calvendo Science)

Let us take you! Come with me into the colorful world of fractals, explore the variety of shapes and colors! This calendar includes a selection of futuristic-looking fractal images that are same time eye catchers and fantasy stimulators. Definitely this is the right companion through the year for all science fiction fans. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
