

# Hurled Into Darkness

Hurled Into Darkness is an excellent book which tells of one woman's determination and her story of triumph over tragedy. The Book provides the reader the opportunity to get a glimpse of the unspeakable pain that murder brings to those loved ones who are left behind and it helps one to better understand the ripple effects of homicide. Sadly, it is a story that is not told often enough throughout our country....that of the incredible courage, determination and passion of victims of crime to make a difference.
