

Coles Christmas Wish (Mills & Boon Cherish) (The Colorado Fosters, Book 1)

Cole Foster had only one wish this Christmas and that was for Rachel Merriday to realize, finally, that she was in love with him! The only problem was, he and Rachel were friends just friends. Sure, they kissed that once and what a kiss! but Cole was waiting for the right time to tell her how he really felt. But has time run out? Rachel was coming home to Colorado for Christmas with a new man! And from what Cole's been hearing, this guy might just be the one. How could that be, when it's been so obvious from the moment Rachel first leveled him with a snowball as kids, that it's Cole she should be kissing under the mistletoe! Maybe now is the right time to finally let Rachel know that all he wants for Christmas is her.
