

The SEALs Best Man (Special Ops: Homefront) (Volume 2)

Life is about to change for Lieutenant Jack Falcone. Stationed at the U.S. Naval Academy, Jack has just learned he's headed back to the SEALs as an Anti-Submarine Warfare Expert. He's got six weeks left in Annapolis... six weeks to convince Maeve that some pasts are worth revisiting. How can she resist? When Maeve said good-bye to Jack eight years ago after a weekend fling, she never expected he'd return to her life, and wind up the best man in the wedding of her friends, Mick and Lacey. But a lot has happened in the years they've been apart... just enough to make a relationship with him impossible. If she can resist temptation for just six more weeks, her secrets will be safe. Six weeks... starting... now... The SEALs Best Man is a full-length novel about what happens when the low sizzle of a weekend fling blazes into a bonfire that could burn for a lifetime.
