

\$100K to Nothing: Layoff: My journey from a six figure income to the unemployment line in the worst economy of our time

In this book, Dan tells the story of how he became unemployed; and what he is doing to change that situation. Dan gives an insider view on the world of unemployment, and tips for surviving and coming out of unemployment intact and in a better place. From starting a job search to managing money to federal unemployment legislation, this book covers all of the most important topics on the minds of those who have been laid off. In today's turbulent economy, companies are downsizing and undergoing layoffs on a seemingly daily basis. In fact, the unemployment rate is the highest it has been in over 25 years, with over 13 million people living on unemployment benefits. In addition to relaying his own struggles and obstacles, Dan provides insightful advice for job seekers to distinguish themselves to companies and get hired quickly. Whether you have been let go or are trying to avoid a layoff, this book will help you be informed and prepared; entertaining you along the way.
